New For Fiscal Year Ending June 30, 2018 And Forward

If your Personal Property Delinquency is lower than last years, it is not necessarily due to payments.

When delinquency is distributed by subdivision, it is disbursed by the current tax rate.

Some subdivisions have new/additional levies which will change distributions from year to year.

If your current delinquency (June 30, 2018) is a negative number, it was changed to zero and not subtracted from the prior delinquency.
