\*If all dogs owned are altered (spayed/ neutered), owner does **NOT** qualify for a kennel license.

“A **KENNEL OWNER** is a person, partnership, firm, company, or corporation professionally engaged in the business of **BREEDING DOGS** for hunting or for sale”

If a dog is licensed in any county in Ohio and the owner moves to another county in Ohio, that current license will be honored by that county for the remainder of the year. The owner should notify the county where the license was issued of the change of address.

When you have your pet spayed or neutered, you not only contribute to the solution of pet overpopulation, you also reduce the risk that your pet will contract certain cancers or develop aggressive tendencies.
