If your Personal Property Delinquency is lower than last years, it is not necessarily due to payments.

When delinquency is disyributed by subdivision, it is distributed by the curent tax rate.

Some subdivisions have new/additional levies which will change distributions from year to year.

If your curent delinquency (June 30, 2022) is a negative number, it was changed to zero and

not subtracted from the prior delinquency.

If your Personal Property Delinquency is lower than last years, it is not necessarily due to payments.
 When delinquency is distributed by subdivision, it is disbursed by the current tax rate.
 Some subdivisions have new/additional levies which will change distributions from year to year.
 If your curent delinquency (June 30, 2022) is a negative number, it was changed to zero and
 and not subtracted from the prior delinquency.
