

## **Funding Availability**

Approximately \$2 billion is available nationally in the FY 2022 CoC Program Competition. MCHCoC has access to \$1,929,322.00 in renewal project funding (this is the Annual Renewal Demand amount) and an additional \$276,930.00 for Bonus Funds for new projects, and \$395,614.00 for DV Bonus for projects assisting survivors of domestic violence.

HUD is requiring projects be ranked in two tiers: Tier 1 is equal to 93% of the Annual Renewal Demand (ARD) and Tier 2 is equal to the difference between Tier 1 and the CoC's ARD plus the permanent housing bonus. Projects ranked in Tier 2 are not guaranteed to be funded by HUD.

## **Final Submission of CoC NOFO Consolidated Application**

After all renewal projects, project conversions and new CoC project applications have been received, reviewed and ranked, the MCHCoC Collaborative Applicant (The Board of Mahoning County Commissioners) will prepare the CoC Project Ranking List on behalf of the MCHCoC. Once the MCHCoC Executive Board has approved the listing, The Board of Mahoning County Commissioners will electronically submit the project applications and the Mahoning County CoC Consolidated Application via e-snaps to HUD by **September 28, 2022**.
